Quarto enables you to weave together content and executable code into a finished presentation. To learn more about Quarto presentations see <https://quarto.org/docs/presentations/>.

# Bullets

When you click the **Render** button a document will be generated that includes:

- Content authored with markdown
- Output from executable code

When you click the **Render** button a presentation will be generated that includes both content and the output of embedded code. You can embed code like this:

```
